Re: Baird v. State, No. 10-10-00297-CR

Dear Deputy Hegefeld:

I am in receipt of your letter dated January 25, 2011 informing me that my motion to compel the filing of the reporter's record in the above cause has been dismissed. It appears a complete reporter's record in this cause has been neither received nor filed by the Tenth Court of Appeals. Under such circumstances, I am at a loss to understand why the motion to compel was dismissed.

Your invitation to file an appropriate motion, if any, is perplexing. I filed an appropriate motion to compel the filing of the reporter's record. A missing exhibit is part of the incomplete reporter's record. Tex. R. App. P. 34.6(a)(1) rather clearly provides that exhibits are part of the reporter's record.

I would appreciate the Court discharging its duty under Tex. R. App. P. 35.3(c) to ensure a complete record on appeal is received and filed so that my client's appeal may proceed.
